# GOOD FOOD DOING GOOD

Eating at Brigade, especially at Christmas isn't just about having a fantastic time with your friends, family or colleagues, it's about helping others. Brigade and the Beyond Food Foundation have trained hundreds of vulnerable adults into jobs and given thousands of homeless people new skills.

With unemployment and homelessness rates rising during these uncertain times, your support is vital.

"Before joining the apprenticeship at Brigade & Beyond Food, I had been out of work for over five years and suffered from anxiety and depression. I was isolated from family and friends and felt completely alone. Through completing the apprenticeship program, I am now in full time employment as a Commis Chef. This is all due to the amazing work and support from everyone at Beyond Food who helped me get my life and family back. I will be forever grateful, thank you!"
