WHAT WE ARE DOING TO ENSURE
OUR GUESTS SAFETY

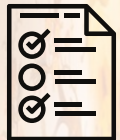

YOUR SAFETY IS OUR PRIORITY

During these uncertain times, we are taking every extra precaution to ensure the health and safety of our guests and staff. We appreciate your heightened concerns in regards to the situation and would like to highlight the measures we are taking to provide a safe service and environment for your visit

- Social distancing training and protocol in place for all staff

- All surfaces and equipment regularly sanitised

- Additional sanitising stations located at various points within the venue

- Staff will wear face coverings

- Full clean down and sanitising cleanse between each booking

- Tables distanced according to health regulations with advised maximum number of guests per table observed

- Meeting and Private Dining Rooms set up in accordance with government guidelines

- We are following track and trace guidelines. We require 1 person from each group's contact details
